Welcome.

Air Novia is a pioneering private aviation company established in 2024, with a steadfast commitment to revolutionizing accessible travel for everyone.

Our mission is to redefine the aviation landscape by ensuring that private air travel is not just a privilege for the few but an opportunity for all, particularly for those in underprivileged and under-served communities.

Extraordinary service,
bespoke to you.

At the core of our business lies our values

INTEGRITY

We uphold the highest standards of honesty and transparency in all our dealings, ensuring trustworthiness in our operations.

AUTHENTICITY

We embrace our unique identity and stay true to our purpose, fostering genuine connections with our clients and communities.

HUMILITY

We remain grounded and open to feedback, recognizing that true success is achieved through collaboration and continuous improvement.

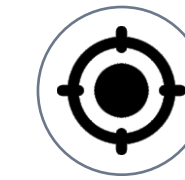

COMPASSION

We are dedicated to understanding and addressing the needs of those we serve, always striving to uplift the lives of the underprivileged.

VISION

We foster forward-thinking strategies that drive innovation and inspire transformative change in the aviation industry.

FOCUS

We maintain a clear direction in our goals, prioritizing the needs of our clients and communities in every decision we make.

GENEROSITY

We believe in giving back, actively seeking ways to support charitable initiatives that align with our mission of accessibility in aviation.

Delivering a range of

Our extensive array of services including chartering, leasing, and aircraft sales.

Fractional ownership

Imagine having seamless access to a state-of-the-art private jet, all without the heavy responsibilities of full ownership. At AirNovia, we present a groundbreaking fractional ownership program that redefines private aviation, aligning perfectly with your specific lifestyle needs and budgetary considerations.

Choose Your Share: Explore our variety of fractional share options, each customized to meet your individual flying needs and frequency, whether you fly occasionally or frequently.

Access to a Luxury Fleet: With our fractional ownership, enjoy exclusive, guaranteed access to an array of luxury aircraft, including jets outfitted with the latest technology and comfort features

Personalized Management: Our highly skilled team ensures that all logistics are taken care of, from flight planning to gourmet catering, providing you with a worry-free travel experience.

Private aviation

Whether you are a high-profile business executive commanding the skies, a celebrated celebrity seeking seclusion, or an individual with a taste for the exceptional, AirNovia guarantees that every journey you embark on is nothing short of remarkable.

Private Jet Charter: Experience the luxury of choosing from an expansive fleet of premium aircraft, ranging from nimble light jets ideal for short hops to ultra-long-range business jets designed for intercontinental adventures, all outfitted with the latest in technology and comfort.

Customized Flight Planning: Allow our seasoned flight planners to devise itineraries that reflect your travel aspirations, whether that entails pinpointing precise departure times or selecting the most convenient airports to enhance your journey.

Personalized In-Flight Service: Encounter exceptional service delivered by our attentive cabin crew, trained to ensure your journey is not just enjoyable but also deeply comfortable. Savor exquisite catering options, including personalized meal selections and a curated assortment of fine wines designed to please the most discerning palate.

Ground Handling: Enjoy seamless travel with the peace of mind that our dedicated ground team is orchestrating all logistical arrangements on your behalf. From luxury car services at your destination to expedited baggage handling, we manage all details so you can travel effortlessly.

Charter Services

We pride ourselves on delivering an extensive array of aviation services that encompass chartering, leasing, and aircraft sales. Whether you are a discerning private individual, a high-powered corporate executive, or a passionate aviation enthusiast, our team of seasoned professionals is devoted to crafting bespoke solutions tailored to your specific requirements.

Dry Lease: Opt for a dry lease arrangement, where you gain exclusive access to the aircraft without crew or operational support, allowing for greater operational control and flexibility.

Wet Lease: Choose a wet lease for a comprehensive service package that includes both aircraft and a fully qualified crew, along with operational support designed to streamline your flying experience.

Tailored Solutions: We understand that each client's needs are unique; therefore, we offer flexible leasing terms and customized solutions that align with your specific operational goals and financial considerations.
